## SMART LASER S20A

### DON'T LET PAIN & INFLAMMATION SLOW YOU DOWN

Smart Laser Therapy is a non-invasive, safe, and effective treatment modality where light is used to relieve pain, reduce inflammation, and promote wound healing and soft tissue repair. Our laser is with single-wave, multi-wave system and power from 10W to 60W for different market needs. This means deeper penetration with no heat produced allowing faster healing with no known side effects.
